

## Targeting Cancer Stem Cells

Cambridge Healthtech Institute's Second Annual Symposium

**Targeting Cancer Stem Cells**  
**Promising New Therapeutics for Oncology**

February 11-12, 2013 – Moscone North Convention Center – San Francisco, CA

[www.TriConference.com/Targeting-Cancer-Stem-Cells](http://www.TriConference.com/Targeting-Cancer-Stem-Cells)**Delegate List** (as of 2/6/13)

Affymetrix Inc.	Director, Marketing
Agilent Technologies Inc.	Lab Director
Alere San Diego	Sr. Director, Biomarker Evaluation
Alligator Bioscience AB	CEO
American Laboratory	Editor
Amgen Inc.	Principal Scientist, R&D
Aptamer Sciences Inc.	President
Arizona State University	Associate Director, Technology Development
Arpeggi Inc.	CTO
Barclays Capital	Assistant VP, Equity Research
Bayer HealthCare Pharmaceuticals	Sr. Director & Global Project Head
Biomodels LLC	Scientist
Bionomics Inc.	VP US Operations and Cancer Biology
Bionomics Inc.	Scientist II
Boston Biomedical Inc	President & CEO & CMO
Cedars Sinai Medical Ctr	Prof & Vice Chair
Celera Corp	VP, Product Development
Cellerant Therapeutics Inc.	VP, R&D
Cellerant Therapeutics Inc.	Exec Dir Corp Dev
CureMeta LLC	CEO
Daiichi Sankyo Co Ltd	Researcher
Dainippon Sumitomo Pharma	Assistant Director, Global Oncology Office
Dainippon Sumitomo Pharma Co.	Director, Global Oncology
Dainippon Sumitomo Pharma Co.	Associate Director, Global Oncology
Debiopharm SA	Associate Director, Business Unit Diagnostics
Eli Lilly & Co.	Consultant Biologist
Eli Lilly & Co.	BioTDR
EMD Serono	Scientist, Cancer Biology
Emory University	Assistant Professor, BME
ETH Zurich	Professor, Inst. Of Pharma Sciences
Evgen Ltd.	CEO
Fluidigm Corp.	Staff Scientist, Applications Development
Genentech Inc.	Scientist, Molecular Biology
Genmab BV	Sr. Scientist, Antibody Science
Illumina	Director, Business & Corporate Development
Illumina Cambridge	Scientist, Bioinformatics
IMEC	Manager, Business Development
Janssen R&D LLC	Associate Scientific Director

John Wayne Cancer Institute	Chief Administrative Officer & VP
Kaiser Permanente	Assistant Medical Director
Karolinska Institute	Professor, Lab Medicine
Latvian Biomedical Research & Study Center	Scientist, Cancer Biomarker Group
Life Technologies Corp.	Director of Product Management, qPCR Reagents
Lund University	VP
MacroGenics Inc.	Sr. VP Stem Cell Technologies
McMaster University	Director & Senior Scientist, Stem Cell & Cancer Research Institute
McMaster University	Assistant Professor, Biochemistry & Biomedical Sciences
MedImmune	Scientist
Merck KGaA	Global Head In Vivo Pharmacology
Mount Sinai School of Medicine	Professor & Chair, Pathology
Nature Publishing San Francisco	News Editor
Novartis Institutes for BioMedical Research	Director, Oncology
OncoMed Pharmaceuticals Inc.	Sr. VP, Cancer Biology
Onyx Pharmaceuticals Inc.	Principal Clinical Scientist
Onyx Pharmaceuticals Inc.	Director, Corporate Development
Oregon Health & Science University	Registered Nurse
Osaka University	Researcher, Industry Collaboration
Osaka University	Specially Appointed Researcher
Panagene	VP
Personal Genomics Institute	VP
Pfizer Inc.	Director, Early Clinical Oncology
Pontificia Univ Catolica de Chile	Sr. Scientist, Surgical Oncology
QuanticeL Pharmaceuticals	Director, Biology
Roche Diagnostics	Director, Technology Management
Roche Diagnostics	Director, Technology Management
Roche Molecular Systems Inc.	VP, Regulatory Affairs
Sears Capital Mgmt	Chairman & CEO
Serametrix Corp.	VP, Marketing
SLL Sciences Inc.	CEO & CSO & Founder
Southern Illinois University	Associate Professor, Medical Microbiology
SRI Intl	Research Scientist, Biosciences Center for Cancer Research
Stanford University	Graduate Student, Chemical Engineering
STMicroelectronics	Manager, Marketing & Business Development
TetraQ	Director, Pharmaceuticals
Texas State Univ San Marcos	Assistant Professor, Biology
UC Technology Journal	Staff Writer
UK Trade & Investment	R&D Specialist
Univ Of Auckland	Professor, Oncology
University of California Los Angeles	Professor & Chair, Radiological Sciences
University of California Los Angeles	Associate Professor, Radiation Oncology
University of California San Diego	Asst Project Scientist, Cancer Center
University of Michigan	Principle Investigator, Urology & Pathology
University of Michigan	Director & Professor, Oncology

University of Minnesota Twin Cities	Assistant Professor, Medicinal Chemistry & Pharmacognosy
University of Pittsburgh	Associate Professor, Microbiology & Molecular Genetics
University of Rostock	Professor, Institute of Immunology
University of Sydney	Sr. Scientist, Cancer Genetics
University of Texas Dallas	Distinguished Chair, Developmental Biology/Nerve Regeneration Research
University of Toronto	Graduate Student, Lab Medicine & Pathobiology
University of Udine	Professor, Medical & Biological Sciences
University of Virginia	Mentor In Residence, UVA Innovation
University of Wisconsin Madison	Professor, Pathology
Veracyte	VP, Product Development
Verastem Inc.	VP & Head, Research
Vertex Pharmaceuticals Inc.	VP Biomarkers
