

EDITORIAL CALENDAR

	Editorial Coverage	Industry Events	Industry Survey Results	Inside Bio-IT World (eBook)
October 2013	Best Practices Call for Entries		Next Generation Sequencing Survey	Consumer Genetics
November 2013	IT Hardware: Processors and Supercomputing	Supercomputing 13		Next Generation Sequencing
December 2013	Discovery Informatics	Clinical Genomics & Informatics Europe		IT Hardware and Infrastructure
January 2014	Modeling and Simulation			
February 2014	Personalized Medicine	Molecular Medicine Tri-Conference		Genomics
	Patient Stratification	Integrated R&D Informatics and Knowledge Management		Next Generation Sequencing
		Bioinformatics for Big Data		
March 2014	Cloud Technologies			
April 2014	Best Practices Winners	Bio-IT World Conference & Expo	Annual Life Science CIO Survey	
	Best of Show Winners	Medical Informatics World		
May 2014	Genomics Data Analysis			IT Hardware and Infrastructure
June 2014	Semantic Web	Clinical Genome Conference		
	Text Mining			
	Data Mining			
July 2014	Systems Biology			
	Gene, Protein, Metabolite Networks
